Dr. Cooper holds a Ph.D. from Yale University and is a former Yale University and Fulbright Fellow. He is Director of Research at the Consumer Federation of America where he has responsibility for energy, telecommunications, and economic policy analysis. Dr. Cooper is a Fellow at the Stanford Law School Center for Internet and Society, and a Fellow at The Donald McGannon Communications Center of Fordham University.

He is the author of five books – *Open Architecture as Communications Policy* (Center for Internet and Society, 2004), *Media Ownership and Democracy in the Digital Information Age: Promoting Diversity with First Amendment Principles and Market Structure Analysis* (Center for Internet and Society, 2003), *Cable Mergers and Monopolies: Market Power in Digital Media and Communications Networks* (Economic Policy Institute, 2002), *Equity and Energy* (Westview, 1983), *The Transformation of Egypt* (Johns Hopkins, 1982).

He has published numerous chapters in edited works and journal articles including

Energy policy: "Too Much Deregulation or Not Enough," *Natural Gas and Electricity*, June 2005; "Real Energy Crisis is \$200 Billion Natural Gas Price Increase," *Natural Gas and Electricity*, August 2004; "Regulators Should Regain Control to Prevent Abuses During Scarcity," *Natural Gas*, August 2003; "Recognizing the Limits of Markets, Rediscovering Public Interest in Utilities," in Robert E. Willett (ed), *Electric and Natural Gas Business: Understanding It!* (Houston: Financial Communications: 2003); "Economics of Power: Heading for the Exits, Deregulated Electricity Markets Not Working Well," *Natural Gas*, 19:5, December 2002; "An Economic Explanation of Why the West and South Want to Avoid Being Infected by FERC's SMD and Why Market Monitoring is Not an Effective Cure for the Disease," *SMD Market Metrics Conference*, Federal Energy Regulatory Commission, October 2, 2002; "Back To Basics In Analyzing The Failure Of Electricity Restructuring: Accepting The Limits Of Markets," paper presented at *Energy Markets in Turmoil*, Institute for Regulatory Policy Studies Illinois State University, Normal, Ill., May 17, 2001; "Protecting the Public Interest in the Transition to Competition in New York Industries," *The Electric Utility Industry in Transition* (New York: Public Utilities Reports, Inc. & the New York State Energy Research and Development Authority, 1994).

Media: "When Law and Social Science Go Hand in Glove: Usage and Importance of Local and National News Sources, Critical Questions and Answers for Media Market Analysis," forthcoming in *Media Diversity and Localism: Meaning and Metrics*, Philip Napoli, Ed. (Lawrence Erlbaum) Telecommunications Policy Research Conference; "Building A Progressive Media And Communications Sector," forthcoming In *News Incorporated: Corporate Media Ownership And Its Threat To Democracy*, Elliot Cohen, Ed. Prometheus Books "Hyper-Commercialism In The Media: The Threat To Journalism And Democratic Discourse," forthcoming In *Converging Media, Diverging Politics: A Political Economy Of News In The United States And Canada*, Snyder-

Gasher-Compton-Eds. Lexington Books) "Reclaiming The First Amendment: Legal, Factual And Analytic Support For Limits On Media Ownership," forthcoming in *The Future of Media*, Robert McChesney, Ed., Seven Stories Press; "Limits on Media Ownership are Essential," Television Quarterly, Spring Summer 2004

Telecommunications and digital society issues: ("Open Communications Platforms: Cornerstone Of Innovation And Democratic Discourse In The Internet Age, *The Journal of Telecommunications and High Technology Law*, 2003; "Inequality in Digital Society," *Cardozo Arts and Entertainment Law Journal*, 2002; "The Digital Divide Confronts the Telecommunications Act of 1996: Economic Reality versus Public Policy," in B.M. Compaine (Ed.). *The Digital Divide* Cambridge: MIT, 2001); "Antitrust as Consumer Protection in the New Economy: Lessons From the Microsoft Case," *Hasting Law Journal*, April 2001; and "Open Access to the Broadband Internet," *University of Colorado Law Review*, Fall 2000).

He has provided expert testimony in over 250 cases for public interest clients including Attorneys General, People's Counsels, and citizen interveners before state and federal agencies, courts and legislators in almost four dozen jurisdictions in the U.S. and Canada.
